

California Public Utilities Commission

Commissioner Committee on Policy and Governance

Report on CPUC Website Re-Design Project

April 24, 2019

Fred Gomez, IT Director/CIO

CPUC Website Re-Design Project

- Embarking on a website re-design project of www.cpuc.ca.gov to make the site more intuitive and user-friendly for users, and compliant with accessibility standards. (*AB434; Government Code: 11546.7*)
- Development of the RFP scope of work is underway; anticipated release in *May 2019*
- Updates from selected vendor and staff can take place during subsequent Commissioner Committee Meetings.
- The goal is to roll out a new website by *October 2020*.

Thank you.
